ePlanReview vs. PDS Online

ePlanReview website

PDS Online website

ePlanReview

<https://eplanreview.cityofboise.org>

- Electronic plan review is performed using the **ProjectDox** program and the **ePlanReview website**. ePlanReview is separate from PDS Online and requires a separate login.
- The ePlanReview website is on a secured server. Customers must be invited into a case; the data on the server is not accessible to the public.

PDS Online

<http://pdsonline.cityofboise.org/pdspermits/>

- PDS Online provides customized, subscription-based permit information for PDS customers. A free membership account is required, and all services are provided free of charge.
- PDS Online displays permit information that is in the public record.

Synchronize Passwords

You can manually synchronize your passwords between the two websites.

ePlanReview

- Log in to the [ePlanReview website](https://eplanreview.cityofboise.org) and click the "Profile" button on the top left.
- Enter current password, then a new password. Be sure to save your changes.

PDS Online

- Log in to [PDS Online](http://pdsonline.cityofboise.org/pdspermits/) and click the "Account Summary" tab.
- Click the "Change Password" button, enter your current password, then create a new password that matches your ePlanReview password. Save the changes.
